A message from Coach John Patterson

Throughout my career, as a player and a coach, I have always believed the game of basketball is one of life's finest teachers. I've learned so much from the game, and I have tried my very best to translate those lessons of both basketball and life to my players. In my opinion, that is part of my responsibility as the head basketball coach at LCA.

The John Patterson Basketball Day Camp has become the most well attended and popular camps in the city. The reason for that is simple; it is much more than just a basketball camp. **In addition to the development of their basketball skills and athletic ability, all campers will be given the opportunity to build upon their own personal attitudes toward the game and life. They will learn about roles and responsibilities within the context of 'TEAM'.**

AND....The Campers WILL have a lot of FUN!!
